### The Story:

although she isnt the best looking lass on the books at notorious she definatly makes up for it in the bedroom department, got stuck in to her while she had a dildo up her a#se so decided i would go up there for a bit and put the dildo up her pussy, she did things to me such as prostate massage and rimming and a couple of other things that are to rude to type but finished off in her mouth and she gulped the lot.

after a chat while getting dressed i discovered there isnt a lot she wont do and she done a few wild tings.
