The Story:

Had been introduced to Suzi earlier at 1100. Told she was only there for 5 days and after seeing that body in her skimpies I just couldn't resist. Her English isn't great but she gets by. Suzi has a six pack, is soft to the touch but firm. I indulged myself in taking in her beautiful curves and then in tasting her sweetness. I felt great, an old git like me with class arse! I indulged myself whilst Suzi played with her breasts pinching her nipples. We moved to 69,0 with, but it was still good, long and deep and I could feel it! On to mish followed by doggy for the finally, wow that arse! Couldn't hold back. Cleaned up then just enjoyed caressing her body until time was up. All in all a pretty good day!
