The Lady:

Really pretty face, lovely boobs, tiny waist, sexy hips and tummy, perfect bum! The website pictures are accurate enough, but Bonnie's bum is better in the flesh!

The Story:

After the initial fondling, it was into 69, and with such a nice bum on your head, you'd have to enjoy. Bonnie's sexily prominent labia responded very well and produced the desired result getting nice and wet in the process. Her attentions at the other end got me ready to go, initially with her on top which is a sight worth seeing, and later missionary. She perfectly timed some choice words to help me over the edge. Only regret is no fingers allowed, as I'm sure she would have liked that.
