The Premises:

Take a deep breath and take your time because it's a lot of stairs, but worth all the effort. Right by Bayswater tube, couldn't be easier to find. Flat was private and there is a shower/bathtub.

The Lady:

A gorgeous ebony woman. Has wonderful breasts, a curvy body and best of all a winning personality. Someone to savour like a fine wine. A very friendly woman. Seems to like men and certainly knows what makes them smile. A pleasure for every second we spent together.

The Story:

I had seen Melody before and after looking at other escorts I kept asking myself, "why try someone new when Melody has everything You want". So a second helping of smooth dark chocolate was on the menu.

We started with a kiss and a cuddle to get to know each other again. Then a wonderful blowjob got me rock hard. There was lots of pulse racing sex in numerous positions. I think she'd be happy to do it hanging from the ceiling....mmm, maybe next time I'll take a trapeze. Melody is one of the best courtesans I have met and I would happily recommend her to people who love sexy African woman.

Walked away feeling like a king, and that alone was worth every penny.
