The Premises:

Well established institution in Telford. Very easy to find, discreet and good parking facilities on site.

The Lady:

This was Tyler's very first day at Kandy's. Phwoooaar! She ticks every single box in my book - petite, very pretty, polite, very friendly and giggly and naughty, beautiful eyes, perfect pert breasts and a gorgeous arse. Completely shaven, she was dressed in schoolgirl outfit for the day.

The Story:

Made to feel very relaxed and comfortable from the word go. Started with a bit of chit chat about where she was from and how she was finding her first day.

She has the lightest touch that teases you and it wasn't long before I had a raging hard on just from lying there being caressed. Bit by bit our clothes fell to the floor and eventually we were both standing in front of the mirror and the sight of her reaching back to stroke me whilst I fondled her will stay with me forever.

BJ was covered, with plenty of seductive eye contact. She tastes as good as she looks, and if it weren't for the hour limit I had paid for I would've carried on eating her out.

We went through every position I could muster, the best being cowgirl when she was grinding away on me. With Tyler, I've discovered that men can actually have little tiny orgasms - that's what it certainly felt like!

I eventually came with her legs wrapped around me and we lay there for a good 10 minutes just chatting and cuddling as if we were true lovers.

This was most definitely a GFE, and is most probably one of my best punts. It's very rare to find someone so beautiful that you connect with.

It is therefore with some degree of loathing that I fully recommend her whole-heartedly and unreservedly. I only hope this business doesn't ruin what is a beautiful personality in a beautiful

person.
