The Premises:

Nice hotel in Norwich. Clean comfortable room.

The Lady:

I'd guess early/mid 20's. About 5' 8". Long highlighted hair. Very pretty, slim with nice breasts (about D cup) and a naughty grin.

The Story:

Laura greeted me with a hug and kiss. We had a quick chat then it was down to the serious stuff which began with a very nice uncovered blowjob with lots of eye contact while I sat in a chair. Laura told me that she loved sucking cock and I can believe it from the way she went about her task.

Then it was on to the bed. Laura rolled the condom on with just her mouth (neat trick) and we got going doggystyle to start with which she said was her favourite. Sex was all delivered with energetic enthusiasm by Laura. I nearly finished with her riding me, but she said that she liked the taste of spunk so she popped the rubber off just before I came and instead finished up with a glorious facial which Laura licked off and scooped into her mouth and swallowed. And then that naughty grin again.

What made the experience so good was the fact that she was such a genuinely warm and attentive girl who seems to thoroughly enjoy her work.
