The Premises:

Sophie has moved since I saw her last. It is a much nicer place. Parking is not as easy but still good.

The Lady:

Sophie is the best in Hull. She has a stunning pair of breasts. A gorgeous arse and a cute face.

The Story:

She dressed as a scholl girl as requested and met me at the door. We went up the stairs which was a treat as she had no pants on. We played around for a while getting to know each other. She gave OWO which nearly beat me then onto doggy. I didn't last long as she has the tightest pussy I have ever been in. She then gave a bit more oral.

All in all she is the best and is somehow getting better.
