Lovely detached cottage in a beautiful part of the country. Very comfortably room, and a good music selection on the iPod.

The Lady:

Slim, toned, small pert breasts, fabulous nipples. Great legs and bum, and an impressive tattoo on her back. Pierced navel. Very kissable pussy, lovely triangle of pubic hair with the rest shaven.

The Story:

This was my first time as a 'punter'. I had lots of fantasies, but no idea of whether any of them would be fulfilled. The build up to the meeting was almost as exciting as the meeting itself. Lara was fabulous both before and during. She could obviously tell I was nervous - her experience showed immediately, as she calmed my nerves, took charge, and was soon out of the dress she was wearing, and before I knew it I was naked on the bed having the time of my life. I'm still buzzing four days later. Fantastic sex, lovely sensual experiences and good conversation. It's been a long time since I've had such good feedback from a woman, and been with someone who has enjoyed sex quite so much. Lara didn't mention the time once, I never felt any pressure to leave, and the ten minutes before I left, lying naked on the bed, was a lovely finishing touch.

What can I say apart from "wow". Needless to say I'm already planning my next visit.
