The Lady:

Slender Czech brunette, pictures really don't do her justice as she is just so alive. Lovely smiley face, firm and shapely breasts, beautifully shaven pussy with tiny brazilian, spring in her step, top babe. Published glamour model in Prague says it all.

The Story:

My first report, but really thought this girl deserves a mention after setting me up nicely for the weekend after a very stressful week in the 'credit crunch'. Kate greeted me at the door in a short black dress and heels, a little shyness at first just adding to the frission - her absence of knickers obvious as her dress rode up as we kissed. Quick call to the agency, offer of a drink and it was over to Kate who took control from the moment we sat on the bed. Round one was just great sex, pussy wet and ready, with me finishing in mish. Interlude was witty banter (she speaks great English and her humour is quite dark and blunt). Round two was initiated by her performing more excellent owo, me on my knees fingering her snug wet pussy and her lying on the bed with a naughty look in her eye and my cock deep in her throat (though she doesn't like cim). Moving to her on top, her hair shaking as she moved enthusiastically with the rythmn of things we seemed to fuck for ages, with her initiating change of position and rythmn, though eventually I could contain myself no more so moved, still inside her, so I could give her one last hard pounding in mish to finish - "do you want to fuck me from behind now" she laughed as I lay, spent, on the bed. Next time Kate :-)
