### The Premises:

Reasonably discreet apartment block in a nice area conveniently close to tube station. Flat is compact but clean and tidy, though you do have to climb a seemingly endless number of stairs to reach it!

### The Lady:

Agency pics are reasonably accurate, though she now has shorter hair and is a little curvier, though neither of which are negatives. She's an attractive girl, if not a knock-out, and has a lovely, curvy body, though the main attraction are a stunning pair of natural 34D tits.

### The Story:

I don't normally make return visits, but made an exception with Sweety. Though it's a cliché?, it really is a case of Sweety by name, even sweeter by nature - she's a lovely, affectionate girl.

Once I'd showered, I lay back on the bed and we chatted for few minutes - I hadn't visited for nearly 6 months, but she remembered who I was, which was pretty impressive in itself! She then took off her dress and lowered herself onto me for some FK while her hand gently stroked my cock. She then licked and kissed her way down to my cock, by which time I was rock hard. I then flipped her over, removed her bra and started paying some attention to those amazing tits - trust me they are worth the price alone! - and then progressed to her pussy which, perhaps unsurprisingly, tastes pretty sweet! Once she was nice and wet, she gave me a sensual session of OWO - some girls go it like the clappers, but not Sweety. I couldn't last any longer, so shot my load over her tits.

Once she'd cleaned up, she gave me a relaxing massage whilst we chatted about her various travels. It was then on to round two: I started on top, then switched over, had a bit of reverse cowgirl before finishing with doggy. She's a very attentive lover and seems to genuinely enjoy it (or is a brilliant actress!).

I would definitely recommend Sweety as she's a lovely girl who gives a highly enjoyable service, and if you're a tit man she's a must!
