### The Story:

Very nice girl indeed. Helpful chatty and lovely. Sorted and showered and ready for her. No messing around straight into GFE. Absolutely delightful girl. Wanking and sucking had me struggling so out with the strapon. On my back and once she had it in my arse it only took a few mins of some lovely wrist action to make me come. Paused for breath and more oral and once hard I shagged myself to another orgasm. Very nice indeed from a lovely girl who looks good and is good.
