The Lady:

As described on website a mature cuddly lady, well spoken with a lovely smile.

The Story:

Started off on the Massage table for what turned out to be a proper massage. My back felt great for the next few days. She used to be a Nurse. Shame she didn't keep the uniform.

After was invited to join her on the large double bed for fun and games.

Suzannah gave a wonderful long bout of OWO with plenty of eye contact, which she said she enjoyed, I know I did, she doesn't allow CIM, to cool down I reversed the procedure, starting on her lovely long nipples and descending onto a wet shaved pussy. I think she enjoyed this as well, finally on with the hat and legs up mish to finish.

No hurry to finish, well over the hour with a chat kiss and cuddle afterwards,

A first rate punt, if you are looking for a mature woman who knows how to please, give her a try, I will be back
