The Premises:

Roxy works from a three-story block of flats on a quiet part of a council estate, she was in the middle of some redecoration so the flat was a little disorganised but clean and felt quite secure and discreet. A ring on the bell obtained entrance to flats her place is on the top floor.

The Lady:

Roxy is in her early to mid thirties dress size 8, long blond hair size B I think bust, never bought a bra but her tits felt good. As she walked to the bedroom in front of me wearing pull-ups a thong and Basque I could see her nice pert bum, as it says on the packet!

The Story:

I found her very welcoming and put me at ease straight away, I have visited many girls but felt Roxy to be very genuine and offer a real girlfriend experience. Now to the fun, Great and enthusiastic French kissing with plenty of hands on exploring tried all positions, I have a medical condition so get viagra on prescription and find it hard to cum and keep it up, but not with Roxy stood to attention for the duration. The best part was that I felt Roxy had enjoyed it to.
