The Premises:

Clean Tidy basement Flat - buzzer on north-end rd but entrance down rather dodgy alley at rear.
once inside OK.

simple and minimalist .

there are clearly a few regulars.....

this lady also known as Tiana on another website - same photos - same prices.

The Lady:

Small, petite with wild hair good skin - nice arse small tits.

I would say pretty.

but not really as the photos. - but then that is what pro photography is about.

The Story:

We started with conversation, she has had some odd experiences....

Moved to bedroom, and started with a massage, using lots of oil and going on a bit.....

attempting to move things on, I went down on her, and despite quite a bit of effort, nothing, then she decided to fellate me, to which I did not object to, just not great, handjob followed, running out of clock.

all not helped by the inevitable mobile phone interruptions.

in summary, something not quite right , but can't put my finger on it.

get the impression that she wants to avoid the essence of the job.

could be just me on that occasion - not a novice at this,

so whilst I don't think I shall return, would not want to put off others wait for a few more reviews.
