### The Story:

Another one from the FRs on PN. We chatted for 5 ins after I arrived and we got on very well. She is very nice indeed. Offered a shower so made the payment and off to the bathroom. She was down to lingerie when I reappeared and I went instantly hard as she could see. Into a massage but after 5 mins I turned over to get things going. She took the hint and hands were soon working my cock. As she was doing that I inquired about strap-ons and she promptly produced one and offer to use it on me. Although I am normally a complete coward I said yes and so 5 mins later she was equipped with a cock which she introduced into my bum. So cock in bum and hands on cock and balls and I had no chance and she had me coming in no time at all. That was about 45 mins so that was the end of the fun and games so we chatted and had a cup of tea. All very nice indeed and will need doing again as soon as possible. She is wonderful.
