The Lady:

Helen is a very easy going MILF, with a great sense of humour, and has superb breasts and nipples. Many girls much younger than Helen would be envious of her body.

The Story:

I have visited Helen on many occasions over quite a long time, and have been fortunate enough to enjoy many of her services, all of which are willingly, and enthusiastically performed.

Helen is easy to communicate with, but is not always available, as she said on her website, this is more of a hobby, and she clearly enjoys her hobby!

On this occasion, I was passing, with not too much time to spare, but quickly arranged the time, and arrived to be greeted, as usual with a smile, a long tender kiss, and Helen dressed to kill. Helen led me upstairs, and I admired the view en route.

After a brief chat to catch up, Helens breasts needed some attention, and she quickly responded, checking out if I was ready for her to go to work with her legendary oral skills. I was, and she did.

After some mutual oral, Helen focussed on ensuring that I was satisfied, and boy was I satisfied.

After a relaxing cuddle and chat, I left, again being kissed and hugged on the way out.

Helen focusses on the needs of her clients without clock watching, and although on this occasion I was short of time, there was no feeling of being rushed.

Great visit...and Thanks Helen.
