### The Premises:

Helpful and efficient communication beforehand. The place was easy to find and comfortable ? if a little small. The arrival, welcome and first few minutes were very calm and non-threatening ? particularly nice for a virtual novice such as myself. It was a really hot day and I needed a shower and this was no problem at all.

### The Lady:

Nice all over.

### The Story:

Emma was great with schoolgirl role play and very skilful and careful with various sensual spanking actions - giving and receiving. We had agreed switching at the start and whilst this added to the cost it was well worth it. Emma was easily able to take a hand spanking from me on her strong backside. Sex was unhurried? I am sure Emma could turn her hand or mouth to anything requested!

No sense of clock watching or being rushed out afterwards which enhanced the enjoyment. A great smile and a great lady!
