She has photographs on her website, and they're accurate. She's gorgeous.

The Story:

This was my first trip to see Debbie. I opted for the house special, which includes being undressed very sexily, then taking a shower together before returning to the bedroom for the main event. Debbie is friendly, energetic and very highly skilled. She found all my buttons (one of them I didn't even know was there!) and got me charged up straight away. In and around the fantastic sex she was also fun to talk to. Absolutely recommended.
