### The Premises:

Parlour is in a row of shops, with nearby parking in side streets. Entrance via a discreet corridor or via rear of building. Basic but clean parlour. En-suite shower in bedroom which varied from freezing to scalding and difficult to control, a real safety hazard.

### The Lady:

Mature, slim blonde lady, reminiscent of a younger Bet Lynch a la Corrie. Good natural figure. Had a tendency to talk posh but it sounded affected!

### The Story:

Jane got me to lie on my front while she gave me a massage. After the non sexual part of the massage, she started caressing me around my balls and that was having the desired effect. Then it was time to turn over and get down to business. Started fingering her and kissing her breasts. She seemed to avoid DFK, although there were a few pecks and she pulled away when I tried to nibble on her earlobes. But she was certainly expert at giving me a hand-job and a blow-job with a nice technique to both.

Jane's accent made me chuckle - maybe I'm being unkind but it just reminded me of Bet Lynch doing her posh voice! It was a bit like a bordello in a "Carry On" film - "would sir like this", "would sir like that", sort of thing. Anyway, time to go diving down and Jane was being very vocal, moaning and groaning when I wasn't doing an awful lot. Now I'm not THAT experienced but I can detect the odd sign when I hit the spot. Anyway, I did hit the spot with a mix of clitoral stimulation and hitting the G spot and this time, her body shuddered involuntarily as she climaxed. That was for real, for sure.

She was very attentive, asking me what I wanted. I had decided to avoid penetrative sex, in view of my cumming problems and settled on a mix of OWO and a hand-job. It was a superb feeling when I finally orgasmed, being extremely vocal as I came! That's not happened in over 10 years, so you can imagine the tremendous satisfaction I felt. Afterwards, it was a case of just lying down, cuddling with gentle pecks, rather than any DFK.

Although this was a good service, the only reason I wouldn't see her again was because there's a lot more to go at!
