The Story:

I had pre booked Sally on the basis of previous field reports and I was not to be disappointed. The maid showed me in to the bedroom and Sally arrived shortly afterwards, looking absolutely stunning in a very short black dress. We sorted out the finances and kissed for a while. Sally then offered me a back massage to start proceedings . I stripped off, lay on the bed and Sally gave me a gentle sensual back massage. Sally then joined me on the bed and her clothes disappeared to reveal a lovely firm young body We kissed and fondled each other and then I licked her nipples and gave her sweet tasting pussy a good licking, bringing her to a climax. Sally then returned the favour giving me some wonderful OWO with plenty of attention to my balls. Then it was on with the condom. I mounted and entered her and had some vigorous and passionate sex in mish , kissing all the while. Sally finished me off by hand and we lay in each other arms kissing and chatting until my time was up . Sally is a real star. she is very good looking girl, who gives an excellent GFE. She also has a charming manner about her, and is very easy to talk to. Highly recommended. I would definitely go back top see her again
