The Story:

I originally booked 30 minutes and as soon as I saw her I opted to go extra for the 45 minutes. Started with a massage and asked if she kissed, said yes and mentioned it was a girlfriend experience so thought ok, look goods so far, but then it went downhill. Kissing, well that was just on the lips, owo was rushed so I thought lets do some oral on her to get things going, but no moans or any response. So thinking that she was'nt interested, covered the chap fired my load and got out. ?100 wasted. Now I have used this agency before and the girls have always been top draw and looked after me and have always left happy, this girl apparently was recommended to this agency as the best girl they have ever had, sorry but no.
