Melanie is a lovely mature lady, just over 40, she has a beautiful ass and nice natural tits, just the way a sexy curvy woman in her best age should be. She is always nicely shaved and extremely clean and she is very punctual.

The Story:

I have visited Aberdeen regularly for the last two years and had the first visit by Melanie late 2007. We have now seen each other more than 10 times and it has given some of the best sexual experiences a man can dream of. She also calls herself "Headgirl", not without reason, as she gives an outstanding blowjob. She still teases me about the first time she visited me, when I was completely overwhelmed by the blowjob, that just went on and on right at the brink of an orgasm. I am getting quite excited thinking back on so much good sex, but describing all our encounters in detail would be exhausting for the reader so I will stick with a few highlights. Melanie also enjoys receiving oral and she has a lovely moist pussy which can be licked to an orgasm, the perfect GFE experience. Over time we have explored the more sophisticated forms. She has a strap-on and expert fingers for the anally adventurous. She also has a huge collection of fetish equipment/uniforms etc., I believe I have only seen a fraction so far. Melanie is also an expert in bondage, and I have been kept at incredible levels of excitement for maybe one and a half hour ultimately reaching an enormous orgasm. On one memorable occasion, Melanie brought her sexy and naughty friend Imogen, we had a couple of very funny hours and a double blowjob I will never forget, we also tried all other permutations of simultaneous oral and fucking etc. I took a photo of the two ladies beautiful asses at the end of the evening, a souvenir I really enjoy when it has been too long. Over the two years I have had the best sexual encounters of my life with Melanie and her repertoire is huge, so I am looking forward to many more erotic adventures in Aberdeen. I can only give Melanie the very highest recommendation.
