The Premises:

Apartment building near the shopping center. Quiet busy as it is middle of the day on a Sunday in December. Was very lucky to get a parking space right near the building. Now I know why Bletchley was empty.

Paid parking, even on a Sunday. and it was 30p for 15 minutes!

Seems someone has stole their doorbell at the apartment door. But just knock politely.

The Lady:

Stunning slim brunette, about 5'9. Exactly as her photos. Had her hair in a pony tail. Website says Devon-esque but I never saw Devon even though Ive heard of the name.

The Story:

Rebecca seems to have been at Divine for about 2 months, and I was wondering why there was no FRs about her. So either no one had seen her, shes wasnt worth reporting about or theres a lot of selfish greedy punters out there who are keeping her to themselves. So I decide to find out for myself. And Sorry guys, the secrets out. She was fantastic.

After getting back from seeing Penny at Egos, I had now gone well over week without a punt, and after 2 fantastic body to bodys from Nina and Penny with no "happy endings" (my choice), I really needed a punt. Wasnt expecting to be able to see anyone since it was 1:15 on a sunday afternoon. Had a shower and noticed that Rebeccas name had popped up on the schedule and she wasnt there before. Decide to hope for the best, phoned up and found she was coming in just before 2 and would be free for an hour. Changed my shirt after the current one was now covered in body to body massage oils and zoomed over to the theatre district.

Was welcomed in by Rebecca herself who is stunning and was very friendly. Was led to a room and she offered me an orange juice which I accepted.

When she came back it was into a little chit chat and straight into some DFK.

She is very relaxed, friendly, intelligent and really easy to talk to.

She offered me a massage but confessed that Id just had one so offered her one instead. Soon led

to me giving her oral which was brilliant and she really seemed to enjoy.
More kissing and cuddling before moving to her giving me oral. she has wisdom teeth coming so it was OW, but it shows as "at discretion" on her profile so I never assumed it was on offer anyway.
Noticed time was coming round so moved onto sex in cowgirl with loads of great DFK and cuddling.
Only had time for one round but easily could have stayed for longer.
If you looking for a great friendly GFE then Rebecca is definately up there with the best.
