The Lady:

The picture doesn't make justice to Jessie, she definitely 10 times better in flesh than in the picture. She's cute and very very sexy with deep lovely eyes. A perfect toned body with beautiful natural boobs and a very soft skin like silk.

The Story:

I always looked to book Jessie but for one reason or another I never tried until now. She is one of the best experiences I ever had. I'm very selective but it's easy to put me off if the lady is for any reason rude or too mechanic. Jessie welcomed me in sexy black lingerie, offered a drink and after a few cuddles we got straight to the action. She's definitely passionate and loves sex. Without entering too much detail she made me feel like a king and between two sessions I also got a very relaxing massage. She is the perfect naughty GFE experience I was looking for and being an Italian I love the women to be passionate on what they're doing.. well Jessie is and I'll plan to see her again very soon
