### The Premises:

nice clean flat in a newish development in the cardiff bay area, very safe indeed, very discreet, parking not a problem.

### The Lady:

Tall, slim, elegant lady, mid 30's, nice 36b boobs, the most wonderful ass, very tactile, likes lots of touching and REALLY loves oral.

### The Story:

this was originally arranged for 6th february but due to a bit of good fortune i managed to get to see her today.

was greeted at the door by harriet dressed in an elegant dress and made me feel right at home, got the money out of the way and had a chat and a cup of coffee before heading off to the bedroom.

the dress came off to reveal a great set of underwear with stockings, the most wonderful OWO followed and she kept me right on the edge for ages until finally i came in her mouth which she swallowed.

after a short break i returned the favour and with a combination of fingers and a nice toy brought harriet to orgasm.

then with percy back up it was onto some nice reverse cow girl and i came inside her.

a great punt well recommended.
