The Premises:

Larue works from a beautifully appointed flat just behind Victoria Station. The area is very safe and there is plenty of parking if you're driving up there.

The Lady:

For those of you, who like myself, appreciate the fuller figured lady, Larue is damn near perfect: tall (even in stockinged feet) A wonderfully full cleavage, amazing eyes and the most beautiful rear you'll ever have the pleasure of having sit on your face!

The Story:

We spent an hour together. This is not the first time we had been together, but the first time in over a year. The conversation flowed, and the atmosphere was relaxed and totally unrushed. For those that like to kiss, you could spend the entire hour doing that with Larue, she is that good. And you can tell that she is enjoying it as much as you are.

She is brilliant with her mouth and WILL blow your mind! I could go on for ever talking about how good she can make you feel, but I will let you be the judge of that.

This is one lady I will most definitely visit again and again!
