The Story:

I loved every minute of my time with Gisele, she was entertaining both on the bed and also as a sarcastic, funny and sexy girl to chat to. Started off with some welcoming kissing before she quickly wanted to get us both undressed and ready for action. The sight of her naked body lying provocatively on the bed got me excited straight away. More passionate kissing followed before some great eye contact oral was happily received my by grinning self (Shame i had such cold hands as i kept making her jump :-). We chatted about the sexual positions we fancied, she wanted to do as much as possible and i was happy to be led astray. Sex felt amazing - she couldn't do enough to please and i was quickly exploding! More funny chatting before she decided to bring the little man back to life for more attention!

Wonderful girl - will be back to see her for longer as 30mins can fly by when you're with her.
