### The Premises:

Many reports about Debbie's have been written. It is in a basement flat in Anerley, there is plenty of parking, and, apart from the odd prying eye in the newsagent's next door, it is discrete enough.

### The Lady:

Jade has just returned to working for Debbie's after an absence of seven years.

I asked her why she had come back, and she said that she had stopped working because of her boyfriend, but wasn't getting any sex now they had split up.

Well, Jade, you must stop going to gay bars.

Jade is a honey blonde in her late 20's. I'd guess she is a dress size 12, with a really grabbable arse and stockinged thighs.

I sat with Debs as Jade was about to see the punter before me, and she bent over the table to give Debs the money.

My cock was already hard, and Jade, by now applying some make-up in a sexy pair of glasses, said, 'Are you going to put that inside me?'

'Only once I've put my tongue inside you first,' I replied, and Jade turned to flash me her bounteous big tits.

I was willing the bloke ahead of me to shoot his load so I could fuck her.

### The Story:

Having given her the money for a massage, OWO and sex, it was literally 20 seconds before she was on her knees, looking up at me with my cock in her mouth.

She then gave me a horny massage, before we had a delicious 69, with Jade really pressing her

cunt into my mouth. She doesn't like it tender, but very firm.

Jade said I had to be gentle as she wasn't sure how she would accommodate my cock, but she soon lost her concerns as I banged her in mish. Then we switched to a bit of side saddle before I came inside her.

Next time I'm going to fuck her doggy while she looks in the wall mirror with her glasses on. That's definitely something to look forward to.

Jade is another welcome addition to Debbie's parlour. She is a good-looking girl who obviously loves getting tongued and fucked.

It's only a shame she took seven years out of the business. That boyfriend has a lot to answer for, but the good news is that she seems very eager to make up for lost time.

I will return.
