The Premises:

Clean semi in quiet road close to A14 felt very safe there

The Lady:

Exactly as she describes herself though I think she looks a lot younger than her admitted age and would call a compact bbw

The Story:

Not been punting long and have read a lot about her, not ready to go all the way with and escort so opted for the full body massage apparently this is a new addition on the site

After a shower Beth gave me a great back massage with hands and titties paying extra attention to the rear end very erotic, when she rolled me over I got a lovely eyeful of those dd titties and was able to fondle them to my heart's content whilst she teased my best friend into submission.

All this attention was rounded off with her washing the oil off me in the shower and again letting me play with her tits whilst she expertly and gently cleaned me.

Very nice way to start the day.
