The Lady:

If Kat is an example of the quality of the escorts from the agency then they will surely go from strength to strength. I called late on a Friday night, having seen her on their website a couple of days before. The manager Chris checked if she was available and told me that she'd be half an hour. As it was, Kat was nearly an hour because she was coming from Derby but, boy, was she worth the wait. As she came through my hotel door I was immediately bowled over by her looks, her figure and her relaxed and breezy smile. About 5'8" slim and oozing sexual energy. So much so that I immediately extended the time I had booked her for. I must add that Kat is not just good looking but also intelligent and really nice to talk to. She admitted that she enjoys the sex as much as the money, and I can certainly say the former certainly seemd to be true!

The Story:

We chatted a little while I made her a coffee, though neither of us had much of a chance to drink it as kissing started soon after and we then didn't stop for the next hour and a half.

What followed was a passionate session that I have not had for a long, long time. Kat's kisses were long, sensual and erotic. She knew exactly how to turn me on and to keep me on the boil for the entire time. She seemd to be genuinely enjoying herself too and the oral that we enjoyed both ways was exquisite. Finished with great sex in a couple of positions and then cim and a snowball - lush! I only wish I visited Nottingham more often. Thanks Kat x
