### The Lady:

Stunning looks lovely body and personality speaks good english and natural tits and a tattoo you won't forget in a hurry ! Looks even better in the flesh her pictures don't do her justice .

### The Story:

Karolina came into the room in red undies with her magnificent breasts fighting to escape from her bra . We sorted the money and got down to kissing and karolina undressed me before freeing her tits for me to fondle and suck her lovely nipples we then lay on the bed for some owo and another chance to suck those nipples she then put on a condom and slid herself onto me for some cowgirl at which point i thought it was going to be a quickie but i managed to convince her to let me use my tongue on her lovely clit and then into doggy to finish we then lay down fo a chat till it was time to go .Will i return yes absolutely the only down side was that it seemed a little rushed but maybe that was down to her being a new starter other than that everything else as perfect so yes i will be back from the man with the necklace that fascinated you !
