### The Lady:

I caught a glimpse of Karolina as I entered MBK, and thought ?Wow?. Then she came in to the room in all her full glory wearing sexy red lingerie, red/white stockings with red bows. Her heels made her nearly 6 ft tall. This, plus her stunning black hair and make-up, yes, she really looked the part.

### The Story:

A few little pecks on the lips to start, then sat on the bed for a quick chat during which time I told her how gorgeous she looked and she told me how clean and well presented I looked, after which??..well, we just launched into each other.

For once I can?t give a running account of what we did, it was just rampant and raunchy DFK, RO and OWO from the start. What ever position we started in ended up several times as a version of a 69, with either of us on top or sideways or whatever positions we could get ourselves tangled up in. Karolina?s OWO skills are impressive with her taking all of me deep into her mouth; my response to this was either two fingers inserted or my tongue going in as deep as I could go. During this rampant and frantic oral exchange we found time for doggy, mish and cowgirl, not for long though as DFK and condom free oral sex was proving to be much more fun, raunchy and just downright dirty. During our oral marathon Karolina said several times in her sexy Italian accent ?I want your sperm in my mouth? and eventually that?s where it ended up, in her mouth, on her neck and over her boobs. What a fantastic sight!!

A quick clean up, more DFK and her turn for a final orgasm as I knelt on the floor, and with her stocking clad legs over my shoulders and resting on my back, she came to another tongue and fingers induced orgasm. Wonderful!!

Back for a repeat in a weeks time.
