### The Premises:

Sam has recently bought her house near the Chester Road station, from an elderly lady, hence the decor is a bit outdated but Sam will be sorting this out over the next few months.

The room used for "entertaining" had all the usual facilities and the bathroom just across the hall was clean.

Altogether a very punter friendly place and quite discreet. Parking is best over the main road.

### The Lady:

Sam's web site tells you all you could want to know except that her hair is currently brunette. She told me she will be reverting back to blonde soon. I feel that her blonde appearance looks better, but that's just a personal view.

Her pictures are accurate.

### The Story:

Sam is very welcoming and friendly. I was greeted like a long lost friend with a deep kiss and a hug. Sam soon started paying attention to my zip and belt and before long I was lying naked on the bed with her mouth doing amazing things all over my body. I got acquainted with her tongue piercing and clit ring quite soon.

After round one Sam made me a lovely cup of tea which somehow managed to go cold as we started all over again.

Sam does not clock watch and I was at no time made to feel that I was overstaying my visit. I eventually left after well over the hour with a grin on my face which lasted all week.

Please treat her with the respect she deserves.
