The Premises:

Nice clean flat, safe area.

The Lady:

Amazing pictures on the website - nowhere near as good in the flesh, but still attractive.

Fake boobs, with scars still present was a bit of a turn off.

Slim, petite, very good English.

The Story:

Disappointing experience, probably my worst with an escort.

Firstly, the website says she does OWO and FK, of which i got neither. As a performer, not bad at all. But when you choose and pay for a girl with services in mind, you expect them.

Secondly, and most annoyingly, I paid for an hour of services, plus a tip...however after 45 mins I finished my business, and she then refused to provide any more services, as "she is not a machine" and instead offered me "conversation". I left promptly.

I'm not trying to be funny, but you dont go to an escort for conversation - which is what she wanted to do for the last 15 mins. Shes an escort. when a customer pays for an hour, they should get an hour. Would not go back or recommend. Avoid.
