The Premises:

Busy street Location, especially at 6pm ! Located Close to a major junction, so traffic does queue right upto the front door of the establishment, and that front door is no more than 6ft from the main road. Cant help but wonder if anyone you know is driving by !

The Lady:

Patti was a pleasant looking girl, Hot Body & Tight Curves ! Boobs were just the right size, 34C or so, Petite oriental girl with dark hair, said she was 25. Very friendly and constantly keeping the atmosphere rather light hearted by joking all the time - too often at times. Constantly pushing for more money - I only realised at the end of the Session (after a detailed explanation by Patti) that the "House" get's the rates quoted on the website. So you need to spend more for the girl to make a bit of money out of it which will make her put a little more effort into the session.

The Story:

Stripped off & straight into the Jacuzzi for a light hearted massage, 10 mins later it was onto the Bed for some Covered 'O' and then some Mish, which went onto Doggy, and then I asked her to get on top. After a minute of this, when I was close to coming, without warning, she got off and proceeded to finish me off by hand. Start to Finish took 25 mins. Got rather put off by that fact that she said "You are making love too Long, it's bad for the condom" and the fact that she then says "You are only allowed to cum Once" WTF is this ? A Prison camp ... Not that I planned to come more than once, but I dont need it being said to me when I'm about to blow my load. A real put off. Sadly not my establishment of choice.
