The Premises:

The Indian palace was very clean and discreet, I like the fact that Narinder opened the door on both occasions to greet me, I didn't have to see anyone else, she showed me to the room and dealt with the money.

The Lady:

Well, what can I say??..The absolutely stunningly gorgeous Narinder, I can honestly say she is the most beautiful woman I have ever seen in my life, it was a honour to be in the company of someone so beautiful, but she was really down to earth, she has a body to die for and a personality to match, amazingly sexy eyes, long curly hair, and those hips!!!

She obviously works out a lot, she has an amazing figure, flat stomach yet very curvy, she has long legs and very elegant hands, beautiful eyes, flawless skin and very long brown wavy hair, she keeps herself very neat and tidy and takes great care over her overall appearance. Oh yeah??..did I mention her bum J

The Story:

I almost didn't want to write this because I don't want anyone else to visit her, but that would be very selfish of me, she really is a truly amazing girl and deserves all the praise she gets.

This was my first ever experience with an escort, and all I can say is WOW!!!

When she opened the door, she was smiling and seemed genuinely pleased to see me, she put me at ease straight away, I almost forgot that I was visiting an escort, it felt so natural, not awkward at all like I expected.

Narinder was completely straight with me from the outset on what services were available, unlike some people, I think the 'Vanilla' experience is a great thing, the Indian palace has HIGH CLASS girls, if you want any of the 'other' services, go to the back alleys somewhere else.

I won't lie, I was dying to kiss her, and would jump at the chance, but I respect and understand her

stance on this, however much it kills me not being able to!!!

She done amazing stuff to me, I won't go into the details, I am a gentleman after all, but you all know what's on offer, one thing I didn't expect was what a really genuinely nice girl she was, afterwards we cuddled for ages and had a really nice chat.

I know they are paid to make you feel good, and say nice things, but Narinder seemed very sincere and honest with me at all times.

When I left I was on such a high I had to call the Indian palace to tell them what an amazing time I had with Narinder, I even came back the next day for another hour with her.

This girl is going to bankrupt me, but she is worth it??????I could live in a cardboard box, It wouldn't be so bad??

I know it is very easy to get carried away when you are there, but you have to respect these girls, and their rules, treat them like the Indian Princesses that they are J

I will definitely be going back to see Narinder again.
