The Premises:

Nice well run place with excellent back room staff who give good advice.

The Lady:

pretty much as the photos suggest, although they are a little out of date, they give a good idea of how attractive Karolina is.

The Story:

I had a fun time with Karolina. She'd been on my list for k while, but ours diaries never seemed to match.

This was a punt that was full of oral (without). Karolina certainly knows how to suck cock and there was plenty of it over the course of my 30 minute appointment with her. I was especially impressed with the lack of hand usage, so it was all mouth action.

Of course there was the kissing and sex thrown into the mix, but in the end we finished how the punt had started - with more oral and unusually for me CIM.
