The Story:

I have seen Natasha many times, mostly for a full personal, but she's also a experienced masseuse, I was given a wonderful relaxing massage with cream, I lay on my front enjoying It all, the massage was firm to start off with, which Is just what I needed, but as Natasha Is such a naughty lady she soon began teasing me, by lightly rubbing between my legs with her long nails, this always feel amazing when done right and boy did It feel right, wow!

Was told to turn over, lots of cream was applied to Natasha's big boobies, and she gave me a lovely body to body, my junior was wide awake and wanted to play by this time, Natasha gave me a wonderful slow HR, just the right sensation, not one of those horrible hard wanks where the lady nearly rips your tackle off lol,

This continued until I couldn't take any more, and I shot my load, amazing!

Had a great time with Natasha @ Ego, this Is only my third time here, but will be back soon for sure.
